Her story begins with the birth
of the Sun, with pristine enjoyment of
a new day.

She chooses comfort and softness,
a touch of satin.

She is romantic, positive, and she knows
what makes her content.

She allows herself to enjoy the moments
that matter to her.

She strives to fill her life with healthy,
cheerful thoughts. Nature relaxes her.

Find your moments of pleasure in the new
Bonatti spring collection and discover the
world of colors, captivating lace, which
gives the woman an extra sense of
attractiveness and beauty.

Modern cuts, bright colors and comfort
are above all reserved for a modern and
active man who goes hand in hand with a
